

TORMENTA

Flávio Edreira

*"Tenho que me mexer
Eu não consigo ficar quieto
Eu tenho uma chama no meu coração
nada me satisfaz.
Olhos que brilham enrubescidos,
a cabeça cheia de sonhos".*

Led Zeppelin

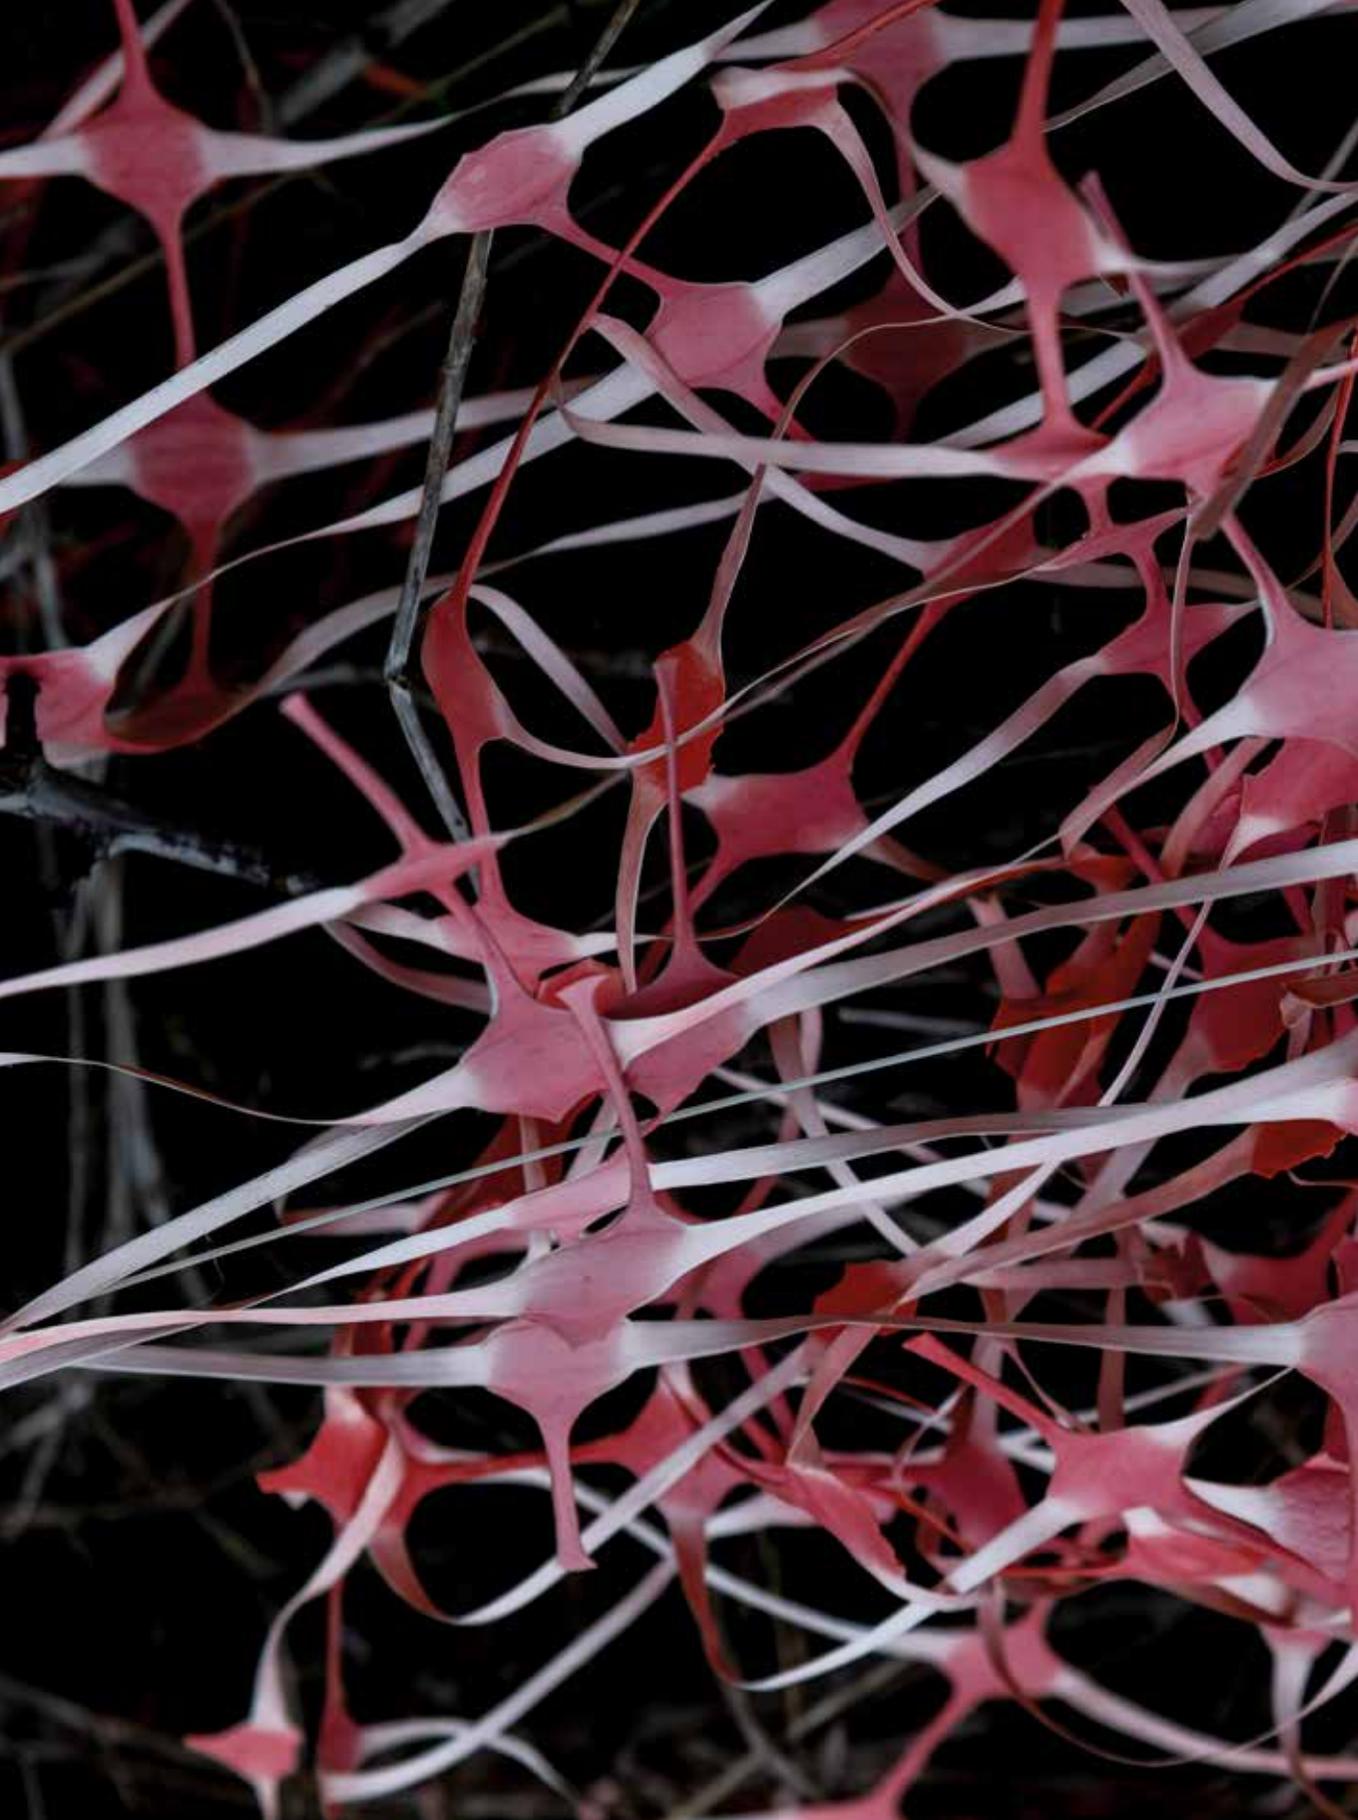

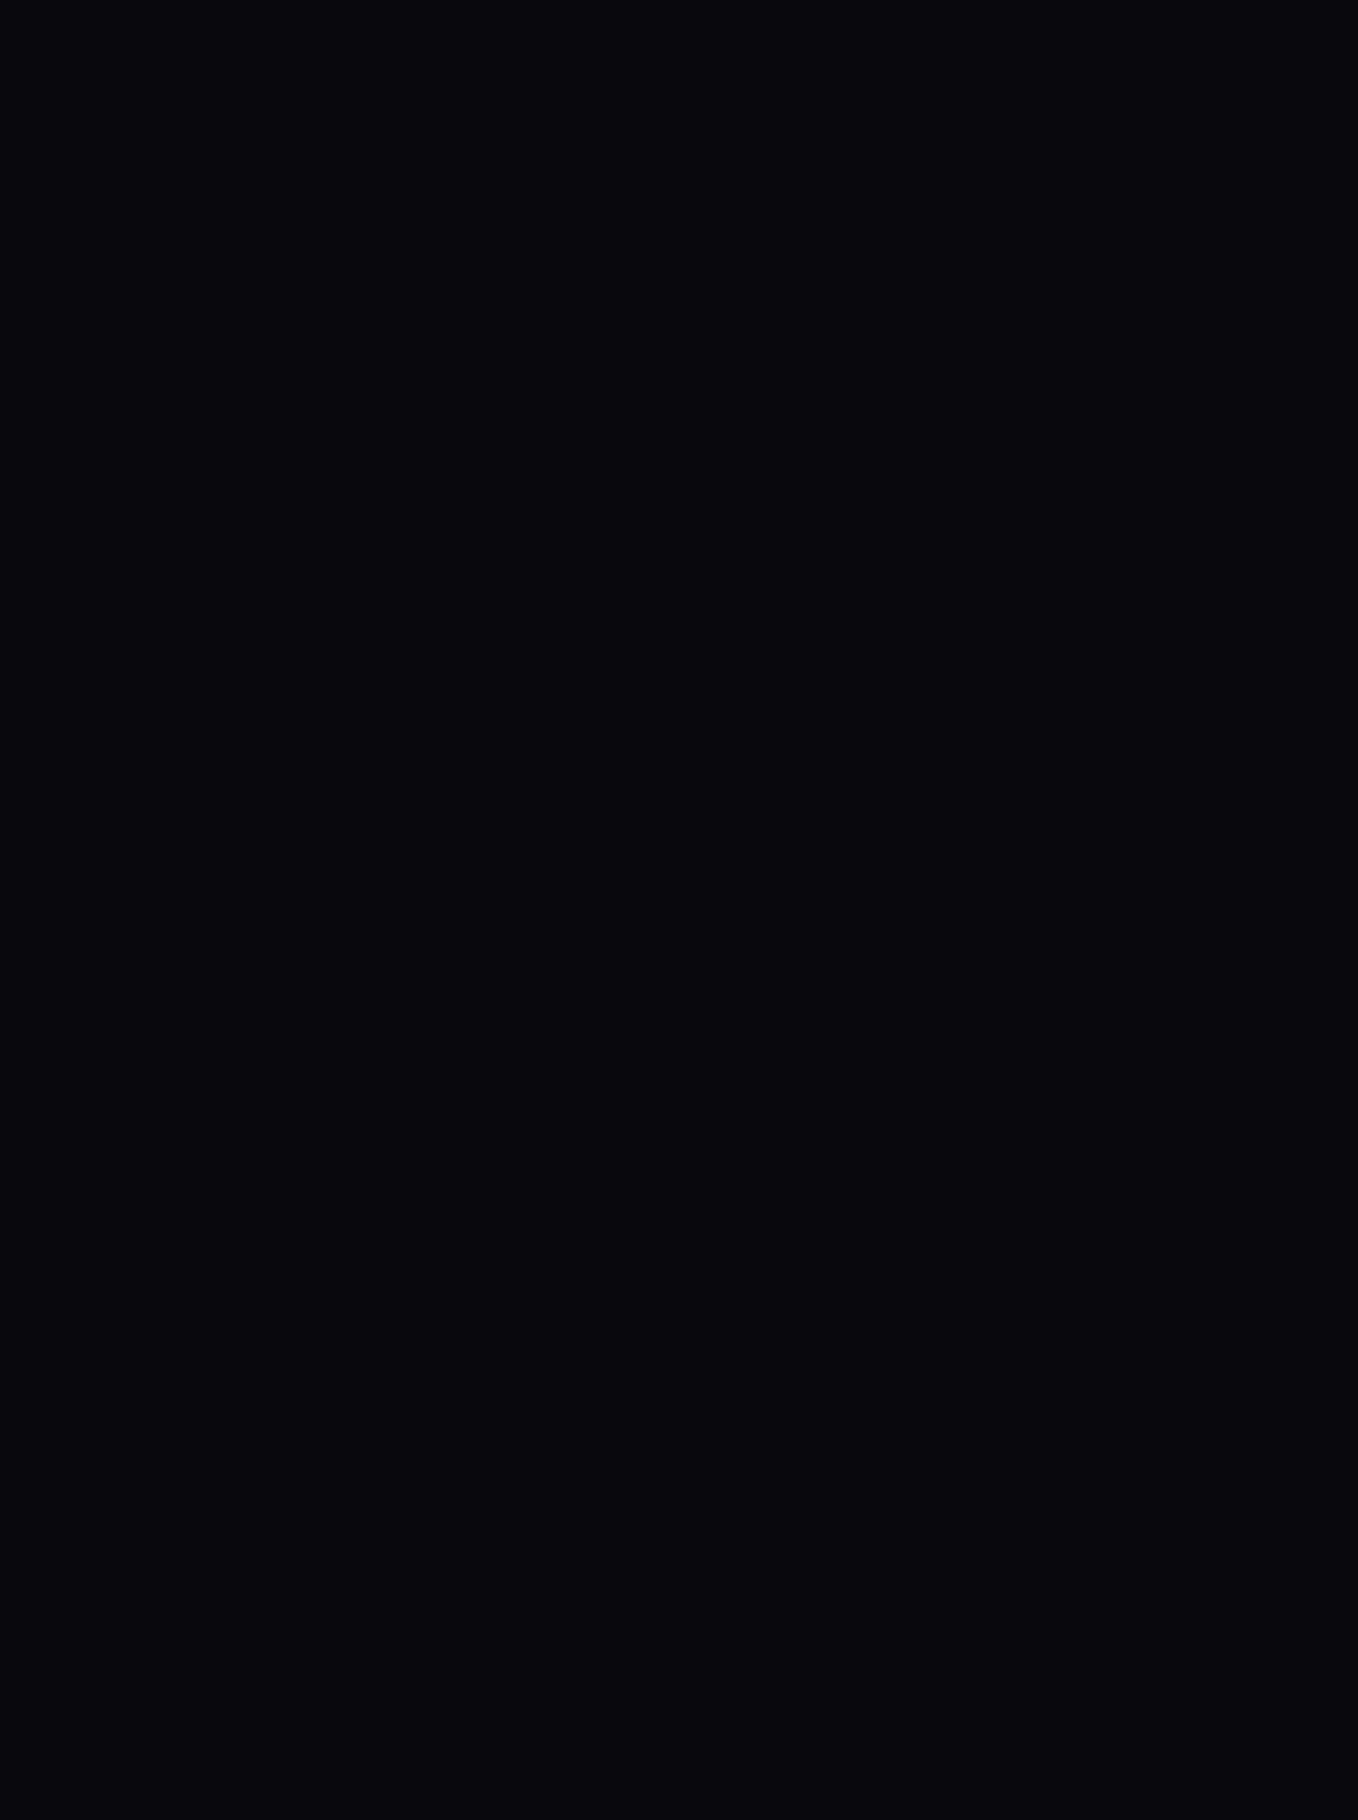

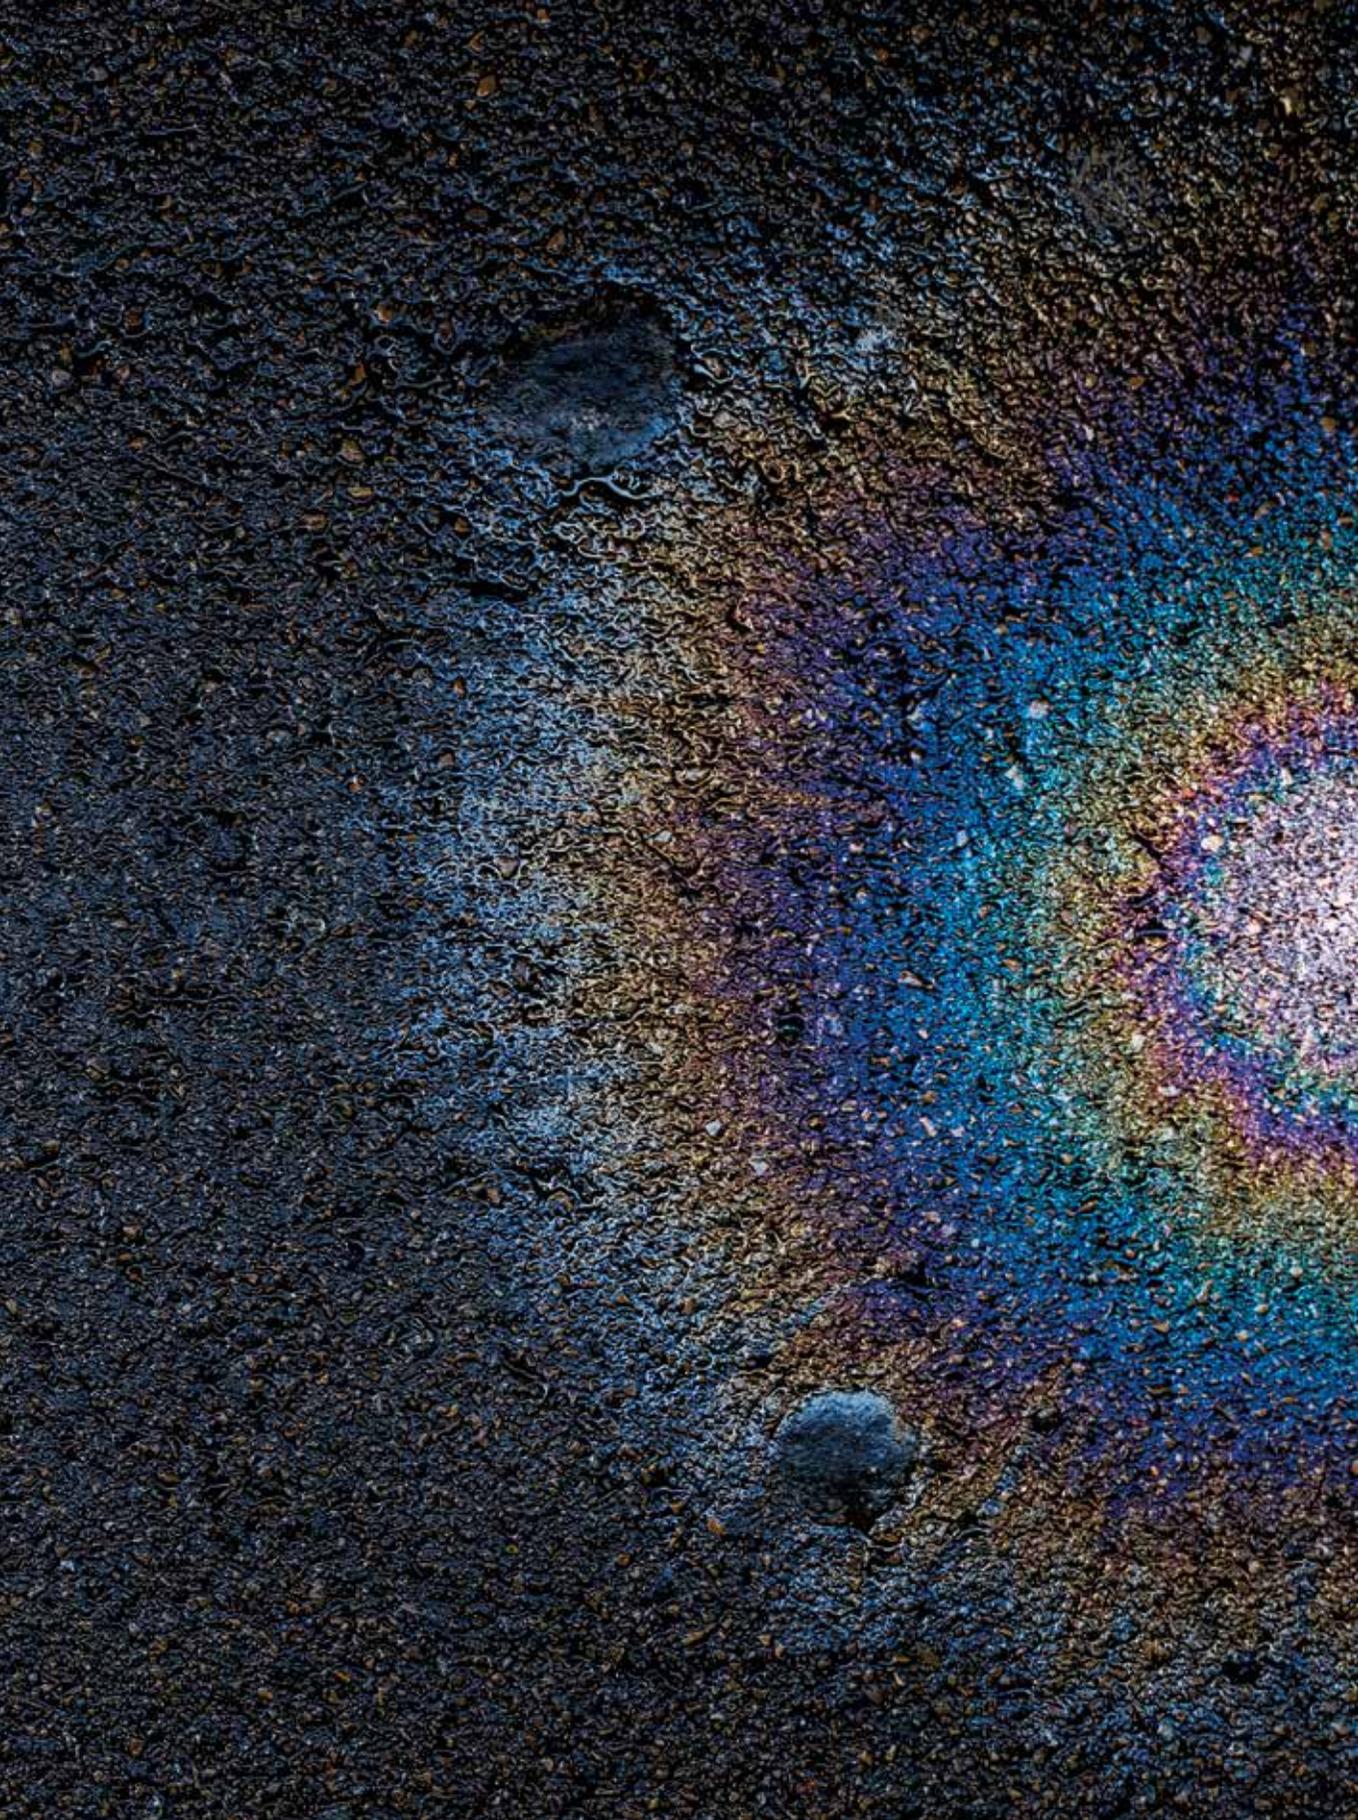

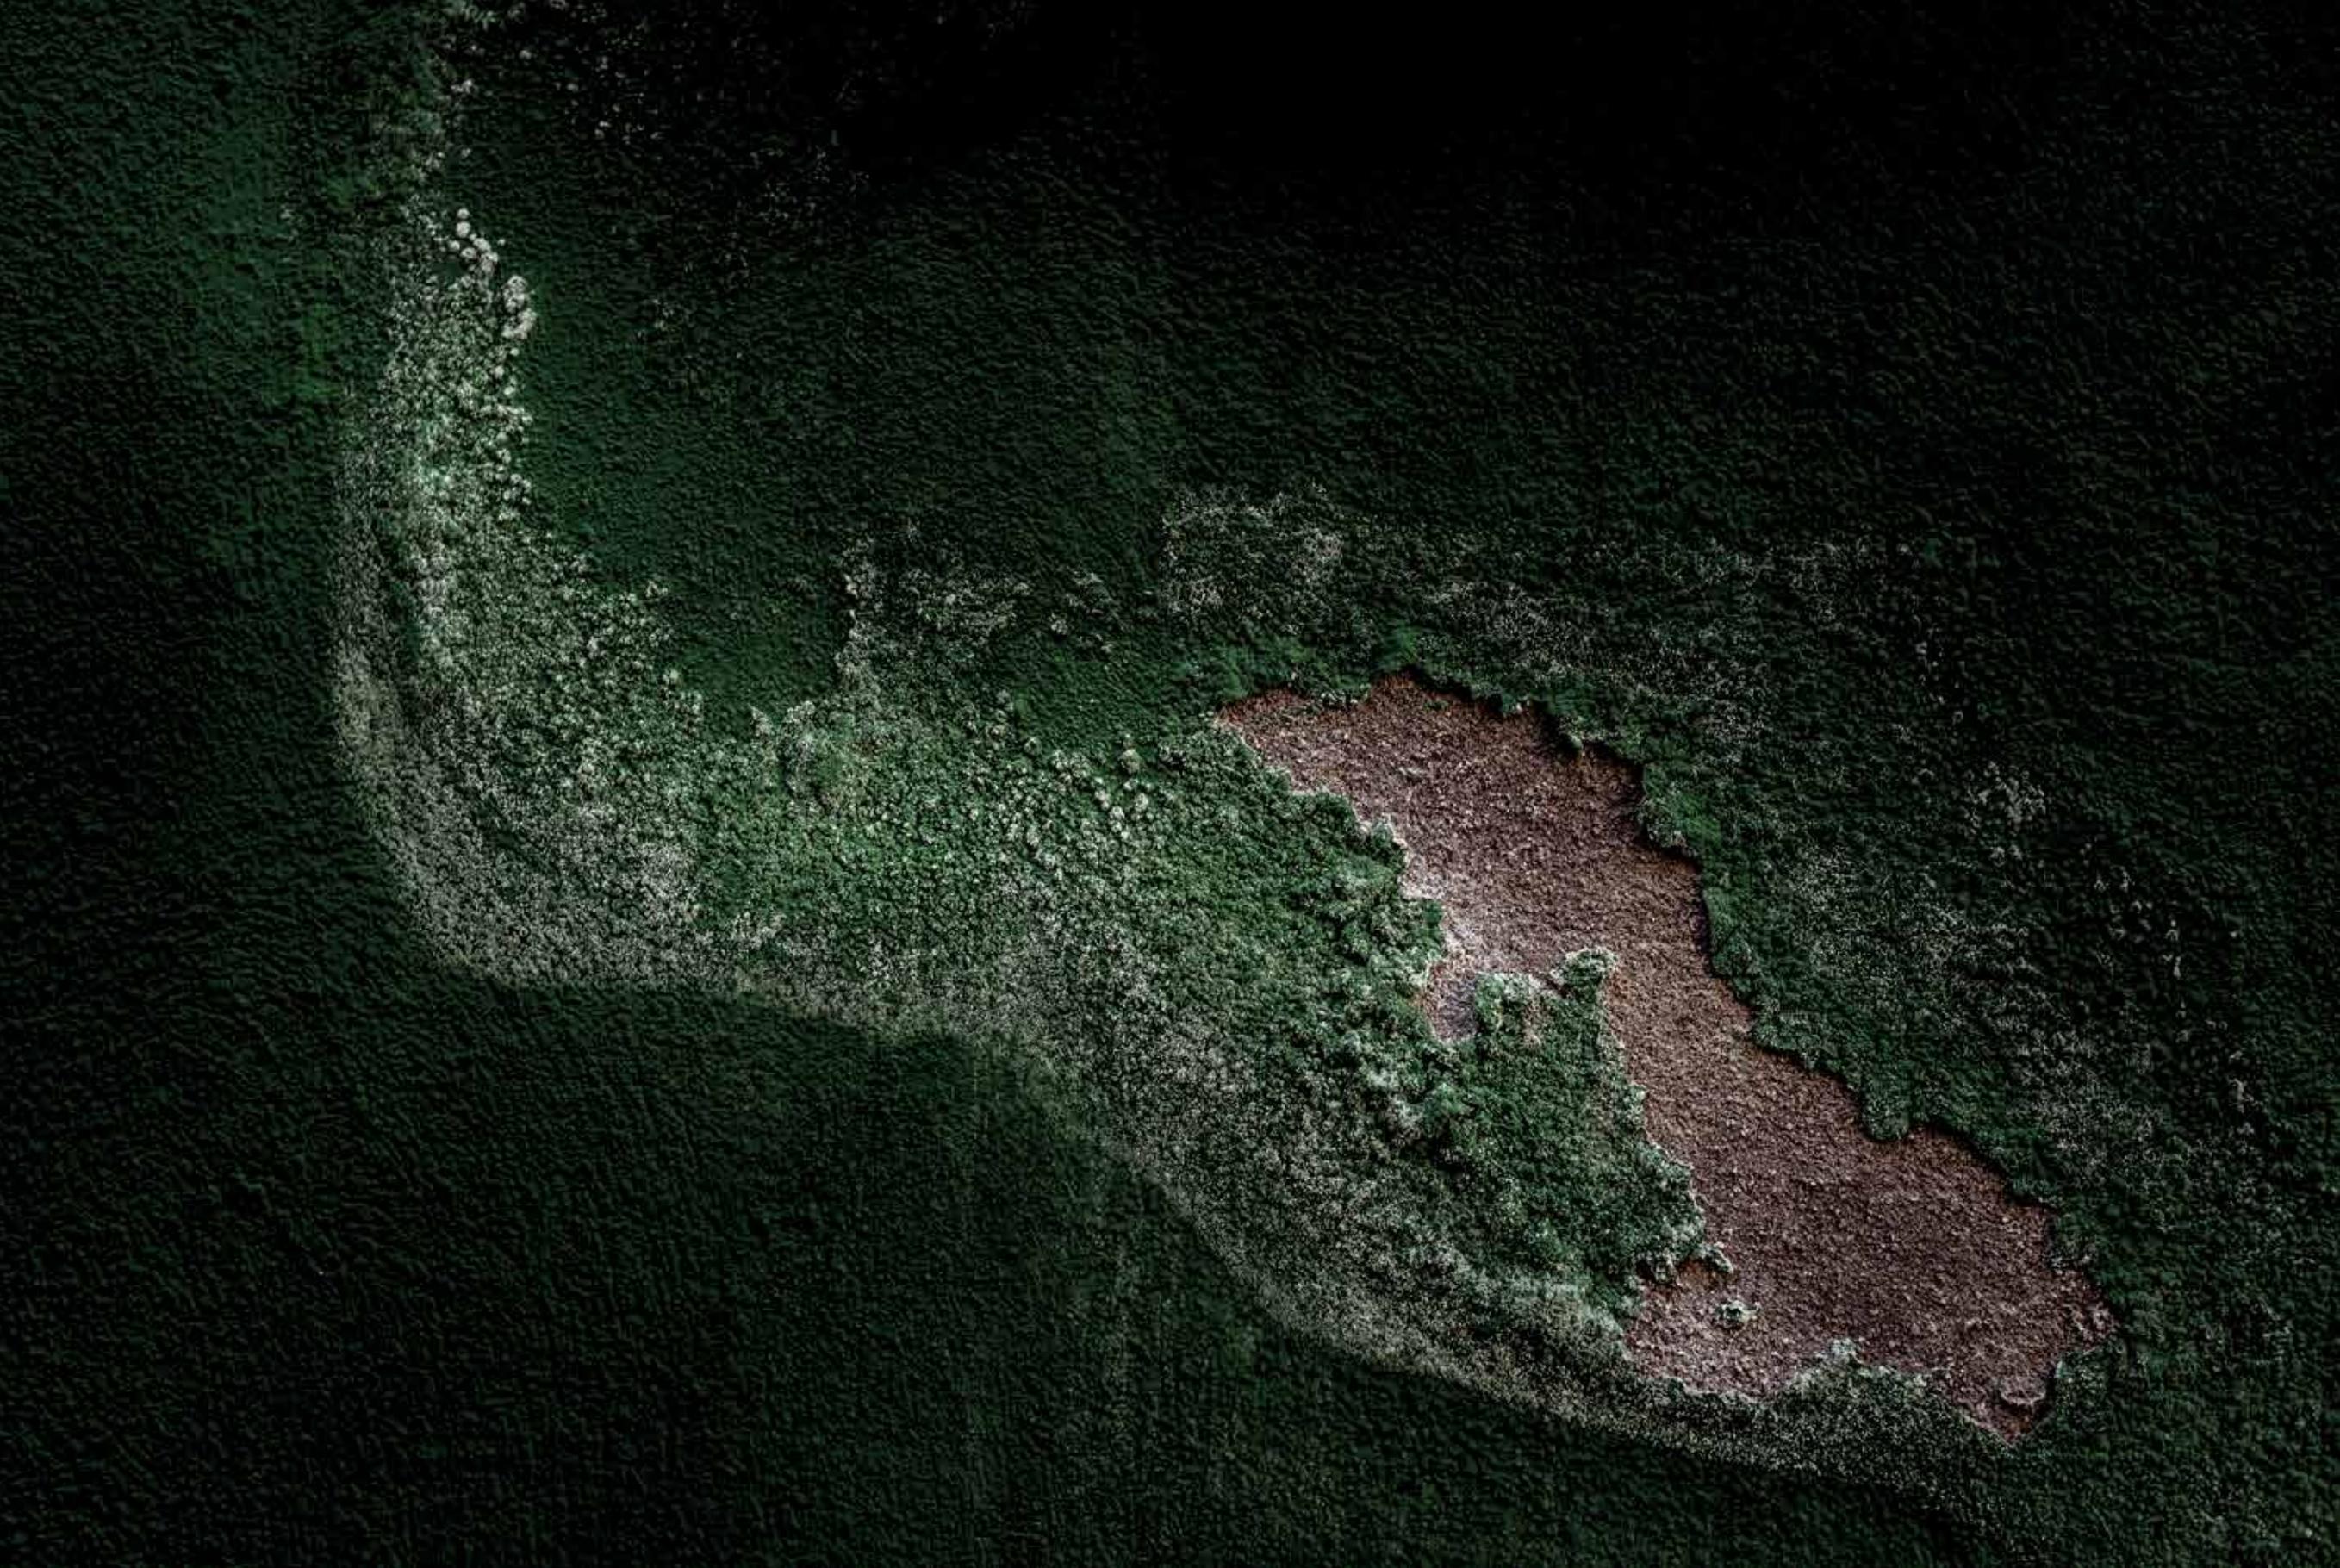

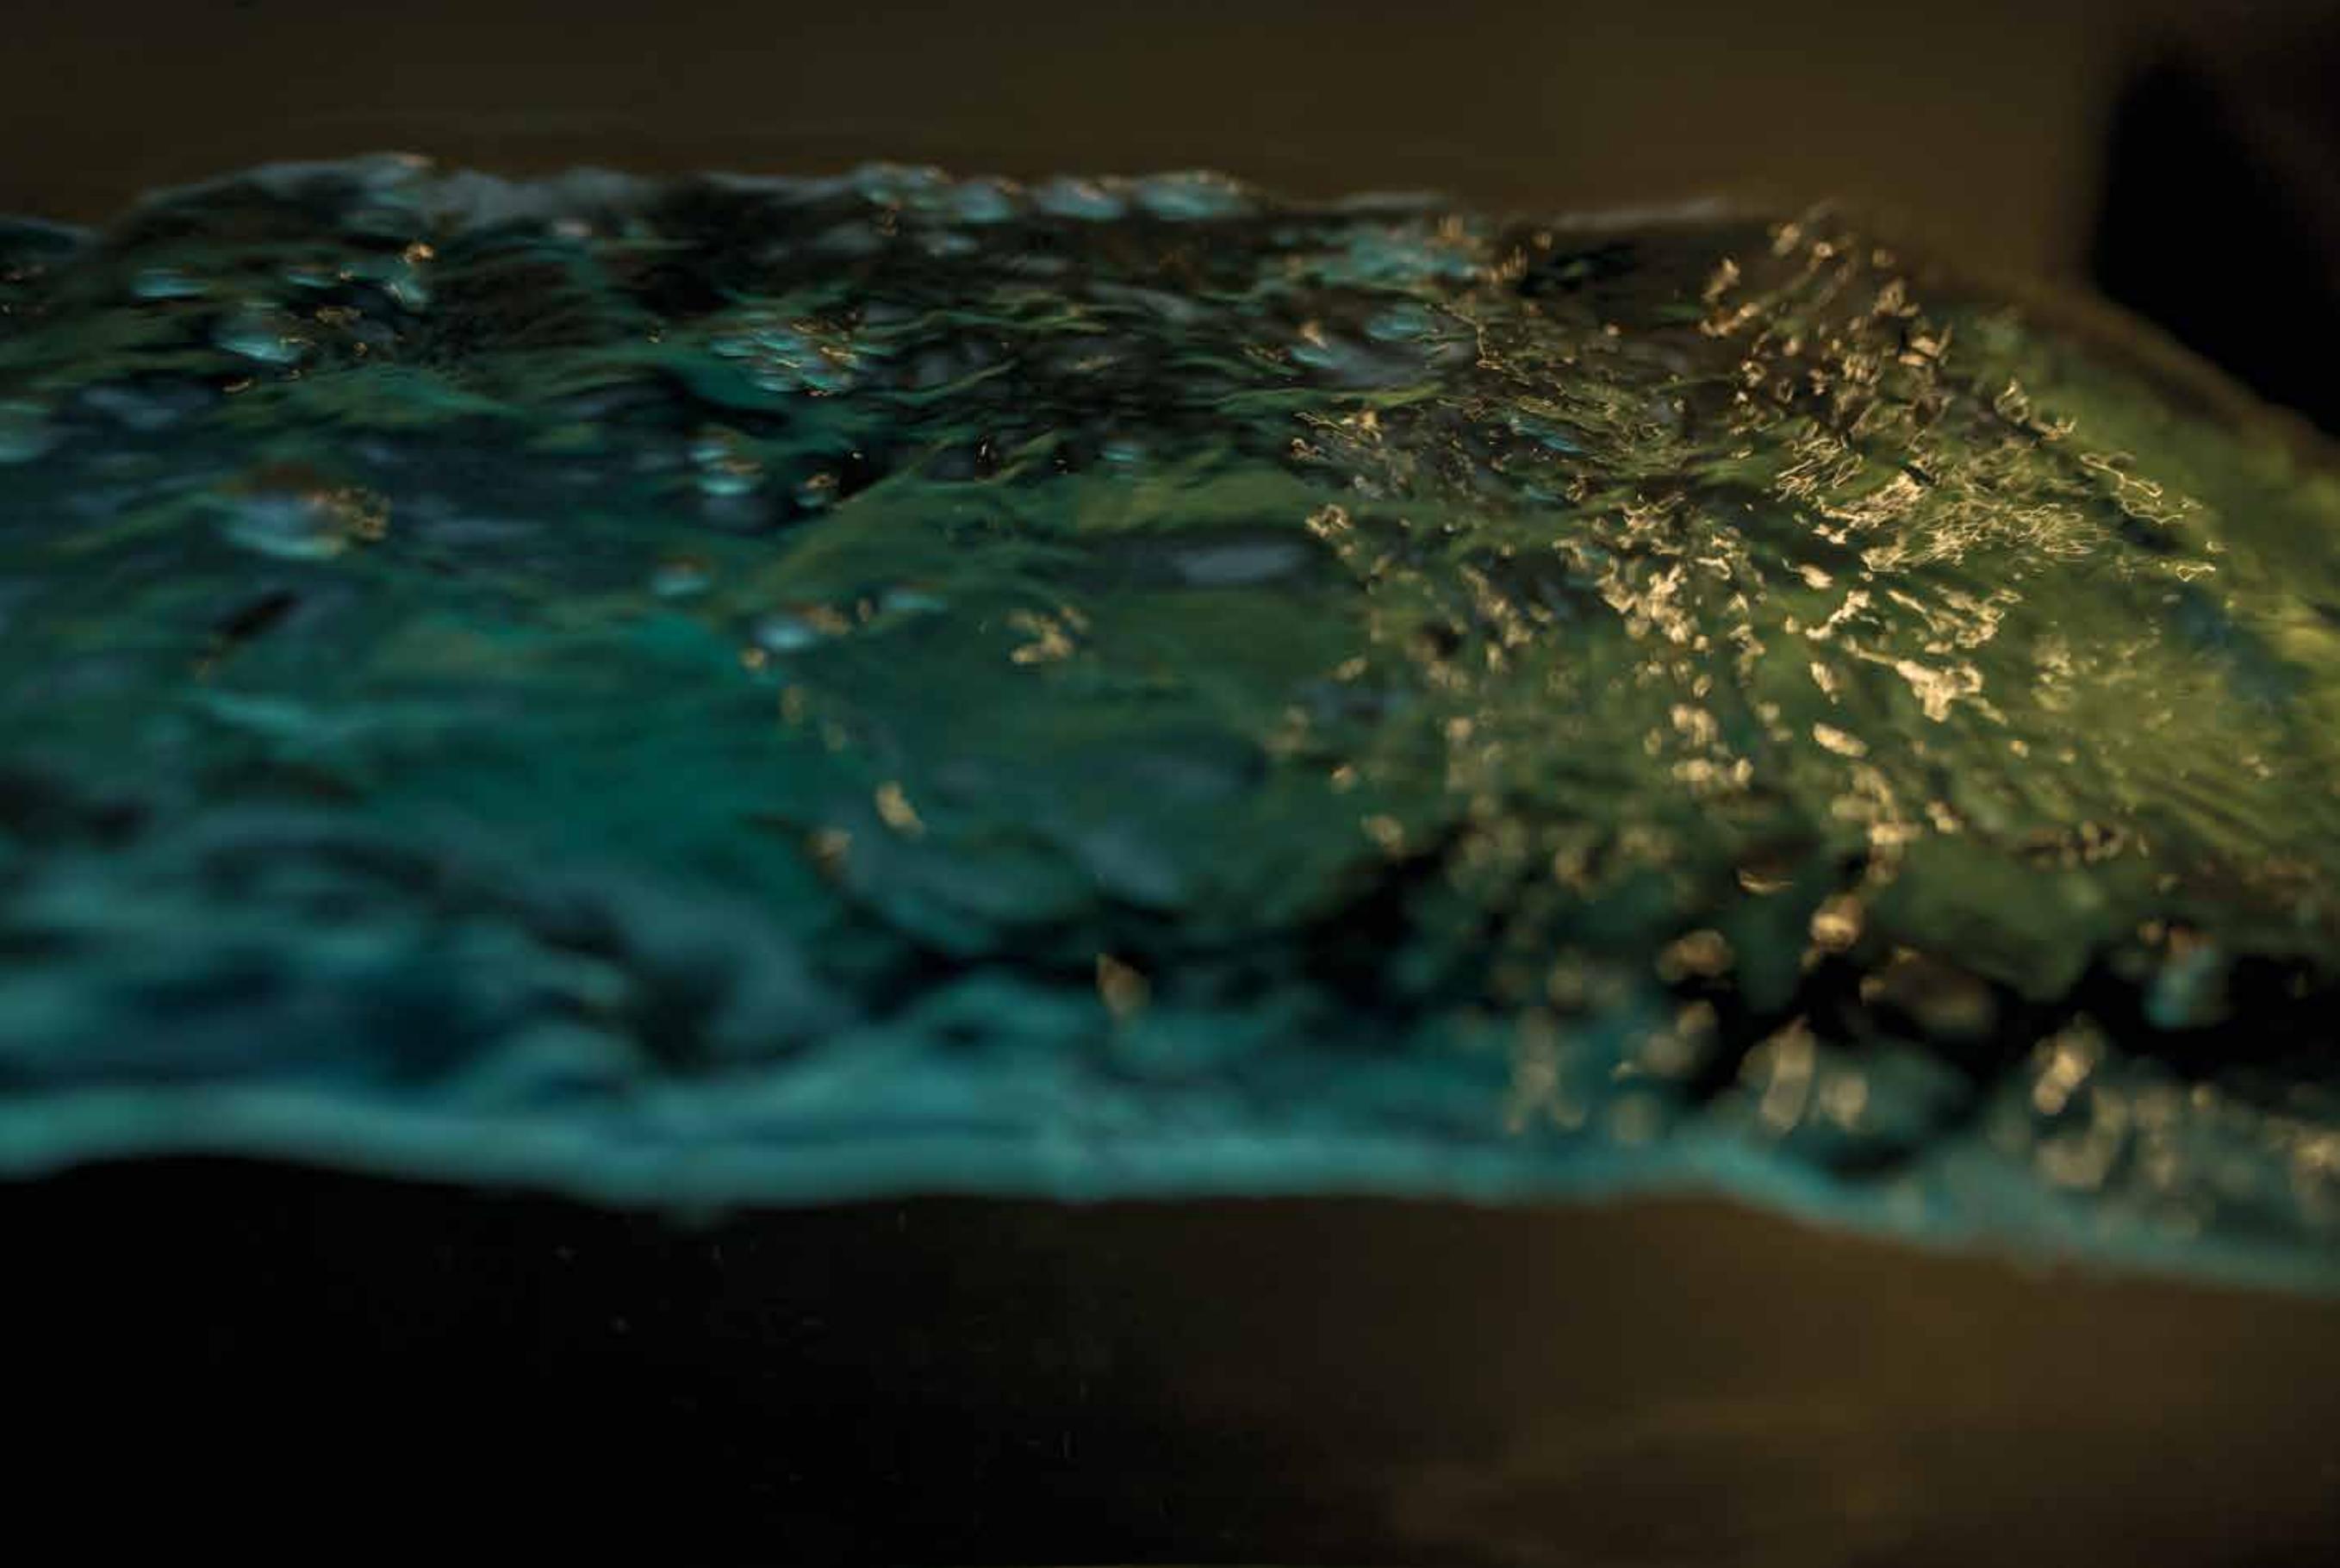

this must be the place

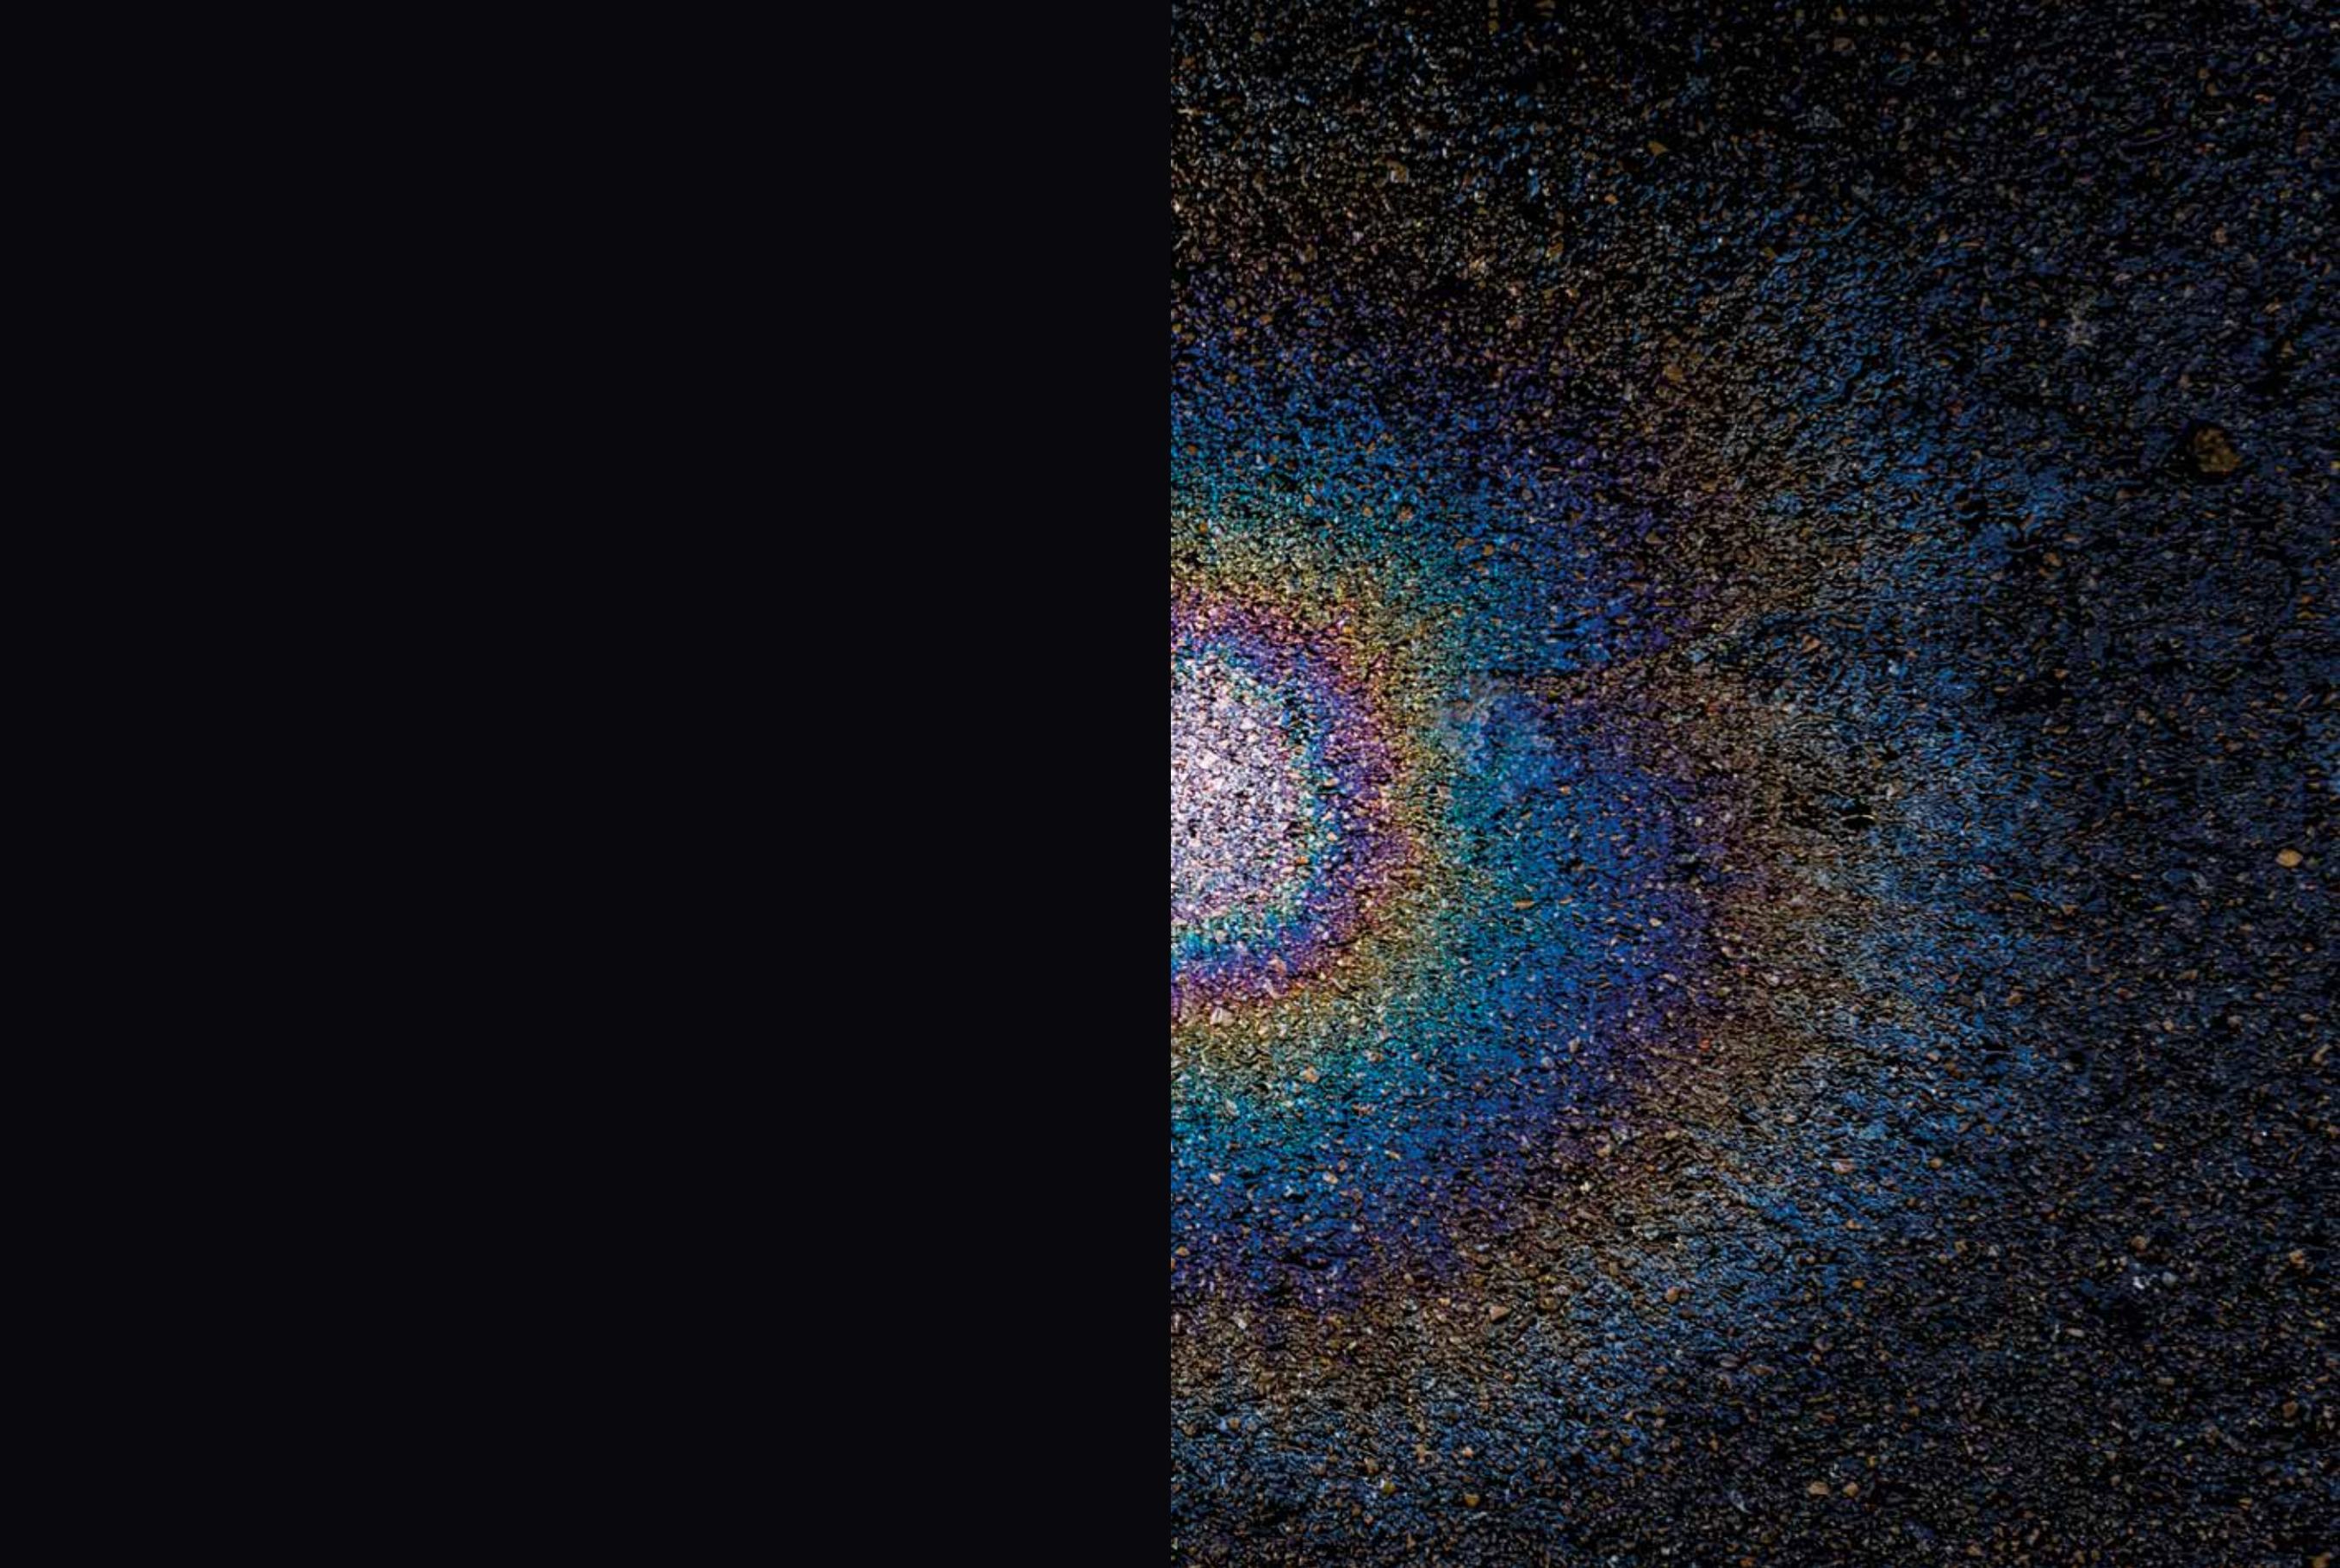

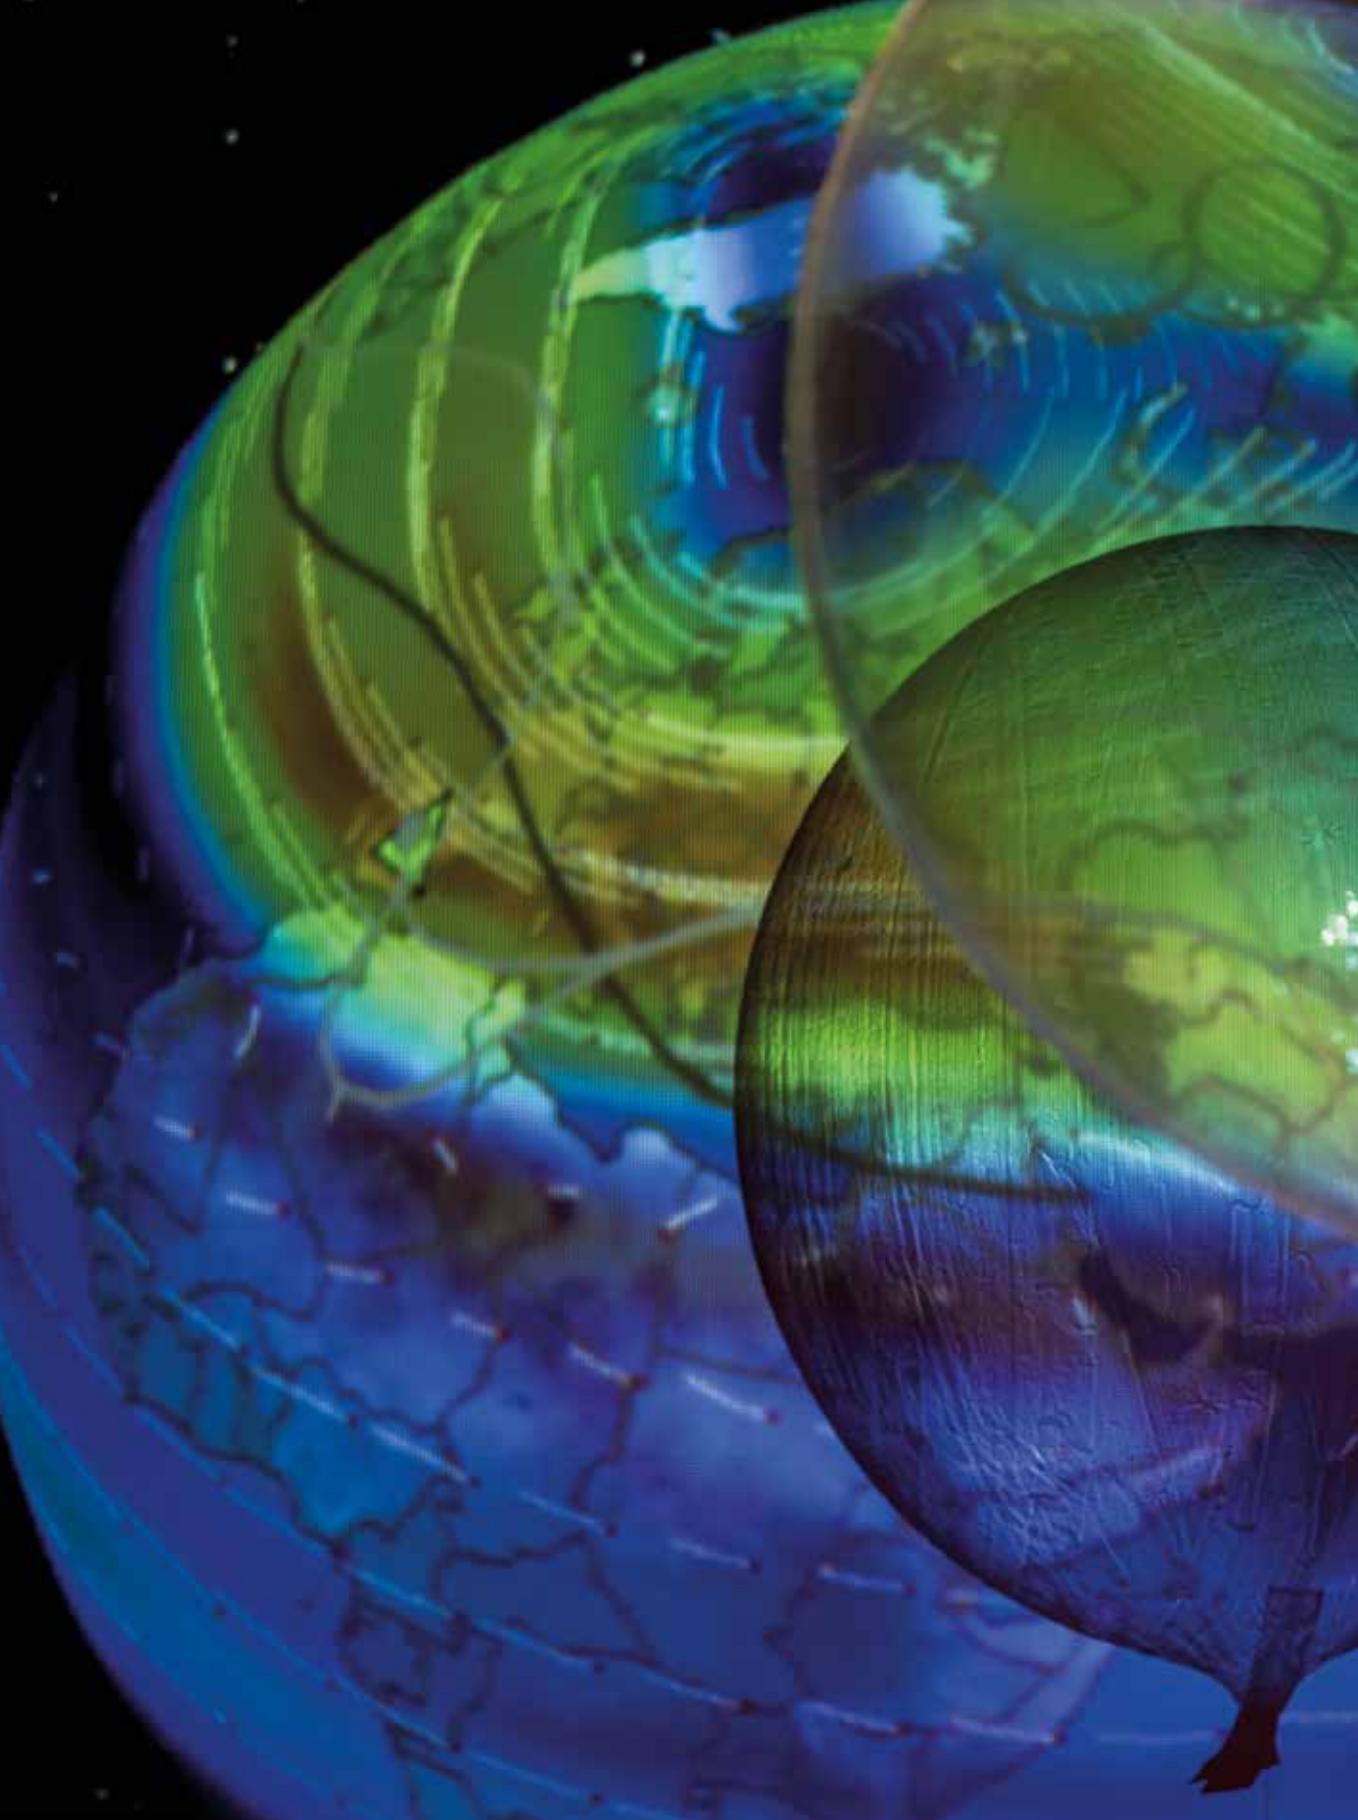

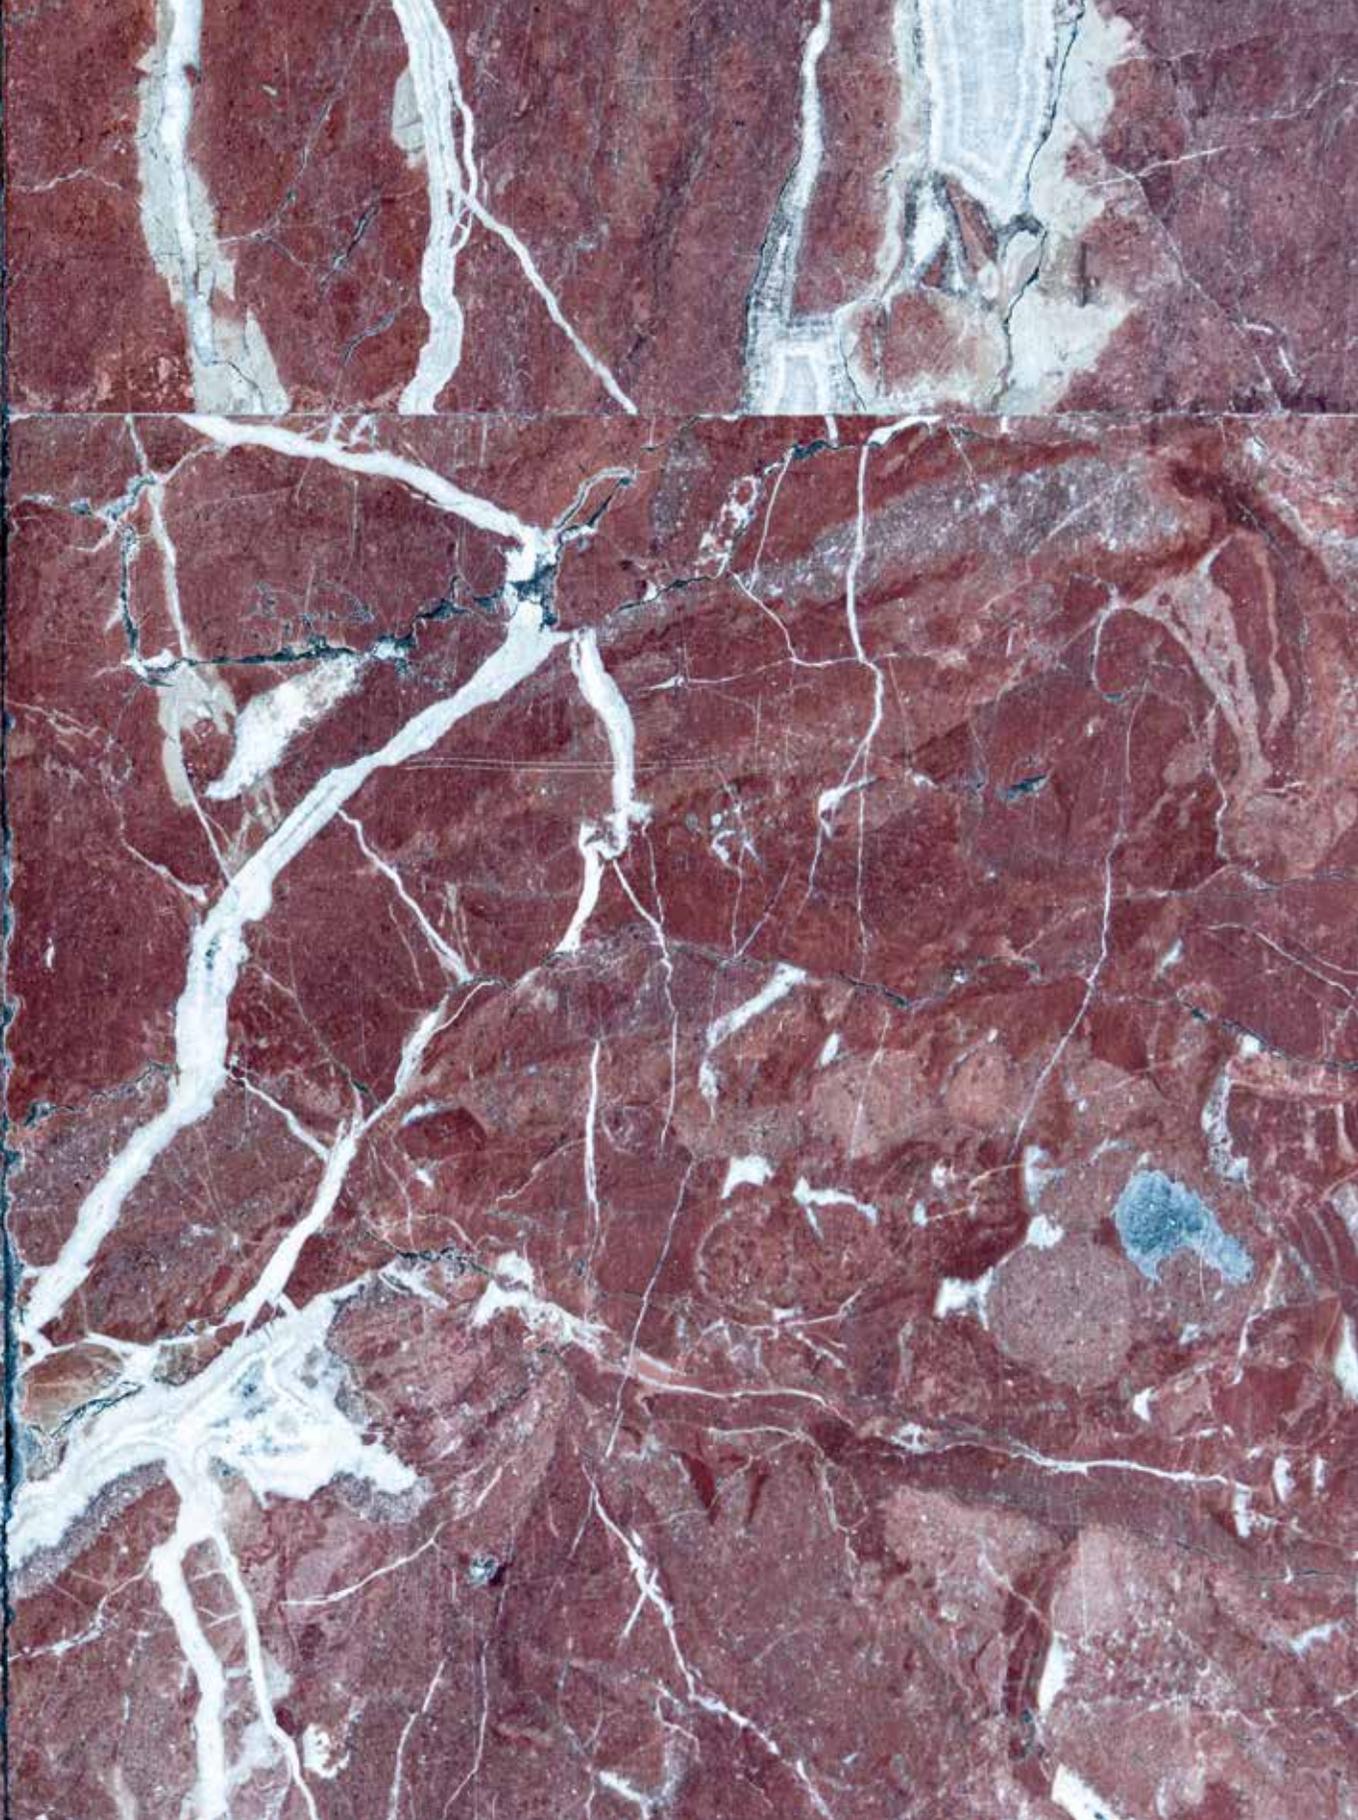

*Eu me perco no silêncio
minhas asas não voam
minhas pernas tremem
É difícil respirar.
Eu vejo sombras sem luzes,
Eu crio pensamentos que não existem
tenho medo...*

eu sou a tormenta.
